

Learn about Flooding in Southbridge and What is Being Done About It

Flooding, climate change, and sea level rise are all critical issues for South Wilmington. Councilwoman Hanifa G. N. Shabazz, city and state officials, and scientists will discuss climate change, recommended actions, and your concerns.

Join us for this informative meeting.

Tuesday, September 24
7 p.m. to 8:30 p.m.
Elbert-Palmer Elementary
School
1210 Lobdell Street,
Wilmington
Childcare will be provided.
